

Bonding Diagram Practice

Here are a few compounds that you can practice your Lewis Dot Bonding diagrams. Make sure that you first identify the type of bond and then draw the diagram.

Si and H	Mg and O	Li and S	Ca and H

Na and Br	N and H	F and F	O and O

Ca and N	C and Cl	Al and N	N and N

C_2H_6	C_2H_2	CH_3OH	H_2O_2
